Rotary Club: Lewisville Morning

Project Title: 3rd Grade Dictionary Project Project Number: P1006

Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

Identified Needs: Students at several campuses in Lewisville ISD are English Language Learners who come from high poverty homes. Many students do not have access to technology or resources to assist them in their educational endeavors

Project Rationale: The project will ensure that students have access to a resource to aid in the English language development, Spanish language development, and content knowledge of 3rd grade TEKS

Timeline: Upon receipt of the grant, dictionaries will be purchased and distributed in the Fall of 2015. Club members will label all dictionaries, deliver to 3rd grade classes, present to 3rd graders about the importance of literacy for college and career readiness. Approximately 600 students will receive dictionaries in English and Spanish

2. How many Rotarians participated in the project? 13 teams of 2 Rotarians

3. What did they do? Please give at least two examples. Delivered books to classroom, handed books out to students, provided instructions how to use dictionaries. Ask them to find word Rotary in dictionary. Relate how Rotary adopted the term as it's name.

4. How many non-Rotarians benefited from this project? 1080

5. What are the expected long-term community impacts of the project? Improved literacy as students by this age need to know how to read to learn. Dictionaries form the foundation of understanding word usage and reading for a lifetime.

6. If a cooperating organization was involved, what was its role? Lewisville ISD provided support in selection of dictionaries, and the title one schools we wished to serve with this project
