Rotary Club: Granbury, Texas

Project Title: Scholarships to Granbury High School Graduates Project Number: 1085

Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

We give graduating seniors college scholarships every year. The amounts can vary according to the type of college or trade school the student is going to. We have an annual fundraiser to support the club scholarship program. A committee of the club selects the winners from students who apply. We normally have over 50 applicants.

2. How many Rotarians participated in the project? 35

3. What did they do? Please give at least two examples.

The whole club participated in a fundraiser for this project. The scholarship committee of 4 people including the chair selected the winners from students submitted by the high school.

4. How many non-Rotarians benefited from this project? 3

5. What are the expected long-term community impacts of the project?

That the students will graduate from college and hopefully come back to Granbury and serve the community.

6. If a cooperating organization was involved, what was its role?

Granbury High School's counseling office notified all the school's students about the Rotary scholarships and collected applications for our scholarship committee to review and select recipients. 86 students applied.
