Brief Project Description:

Back pack School Supplies project: This is a community service project for school children from low-income families. These new backpacks loaded with school supplies will alleviate some of the peer pressure experienced by these children. Too many children in our community are falling behind in school and life before they even get started. This will help them with their self-esteem, creativity and confidence. Every member in the club will be involved either purchasing the supplies, backpacks or filling the back packs, writing personal notes of encouragement to the distribution of the backpacks to the children.

1. Project Start and Ending Dates:

(Projects may not begin prior to the District receiving approval from TRF. Reimbursements for earlier expenses are not eligible. Projects must be completed by the end of each Rotary year.)

2. Project Location: Community International

(If the project is international, will there be a Rotary club from the other country involved? If so, explain how they will participate.)
