We can't thank you enough for all the smiles and fun this bike has provided Cru. I never thought he would be able to ride bikes with the kids in the neighborhood, but not only is he riding a bike he's keeping up and making friendships. This bike isn't just a bike, it's a way for Cru to feel included, independent and get therapy at the same time. We can't thank you enough.

Thanks again,  
Cru and his Fan Club
