Re: Buena Park Rotary Club Literacy Project Grant

To Whom It May Concern:

The Centralia School District is pleased to support the Literacy Project coordinated by the Buena Park Rotary Club. As an elementary school district, we support early education for children. We are happy to provide information for parents about programs for school-age children, preschool and child care programs, and resources available in our Neighborhood Resource Center.

As a member of Buena Park Rotary, I will be pleased to work with my fellow Rotarians to coordinate the distribution of materials for the packages to be given to new parents.

If you have any questions, please feel free to contact me.

Sincerely,

Norma E. Martinez
Superintendent
