### 14. Additional Comments:

OC United has been working with foster youth for the past 15 years through camps and mentoring programs run through Royal Family KIDS Camp and Teen Leadership Foundation. Now as these children (whom they have invested in and been in relationship with over the years) emancipate from foster care, they see a crucial need for continued involvement in their lives at this critical juncture between childhood and adulthood. This has lead us to create an Emancipated Foster Youth program at OC United specifically for transitional aged foster youth. Our Fullerton Club believes this is an excellent program and this is not just an excellent community project for us, it plants a solid seed in the ground for assisting these youth going forward and hopefully a relationship our club can grow with in years to come.
