Dear HEB ROTARY:

Thank you for your donation in the form of a check for 2000 from the Rotary Club to I CAN STILL SHINE PROGRAM. The funds were used for a new Cedar Playground and a new Refrigerator for our Food Bank. Both these items helped us greatly and will be used for our program for years to come.

As you know, we are so proud to be a faith based program where women and children find hope to start over.

Thank you for helping us change lives! Your love and support means the world to us!

Sincerely,

A handwritten signature in black ink, appearing to read "Mark", written over a horizontal line.
