

District Grant Report

Rotary Club: Newport-Balboa

Project Title: Environmental Nature Center - Butterfly Habitat Support

Progress Report Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?
The project took place at the Environmental Nature Center in Newport Beach. The beneficiaries will be the many school children (approximately 27,000 annually) that visit the Center and learn more about their environment and the different plant life and living cycles of the different butterflies. The Butterfly House was donated to the ENC by the Okazaki Rotary Club - our sister club in Japan.

2. How many Rotarians participated in the project? 12

3. What did they do? Please give at least two examples.
Prepared the Butterfly House for the new season by planting new plants and resurfacing the pathway. We also helped remove non-native plants from the meadow and planted new ones.

6. If a cooperating organization was involved, what was its role?
