

Email from Denny Lindeman to Stacey Giannoulis re: calculation of budget amounts

RE: District Grant 1731

Denny Lindeman to youshow details
Sorry for the changes on this Stacey.

It is true that the Club contributes \$1,941 and the District \$1,941 originally.
With the contribution of \$1,000 from Enterprise expressly for the purpose of the project, the Club will contribute an additional \$518.
So the Total funds for the project are the Club contributions of \$1,941 plus \$518 plus \$1,000 from Enterprise plus the \$1,941 from the District which amounts to \$5,400 or six tricycles.

Thanks,
Denny
