

District Grant Report

Rotary Club: ROTARY CLUB OF CERRITOS-ARTESIA

Project Title: NEW COUNTY LIBRARY IN ARTESIA

Progress Report Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?
Our grant is used to purchase new books, fund workshops for children, and possibly fund equipment for a brand new County Library located right next to the City park.. The project would take place over a span of several months. The primary beneficiaries will be the youth in Artesia and the surrounding communities.
2. How many Rotarians participated in the project?
We recently finally presented the funds to the Library on 5/1/2018. We held a special meeting at the library, took the tour of a facility hosted by the head librarian, and then presented the check. 12 out of our 16 members participated in the meeting.
3. What did they do? Please give at least two examples.
The funds have not yet been spent, but the goal is to purchase new books ranging from ages 3 ~18 and fund workshops. Our plan is to participate in the workshops, and read books that were purchased by our funds to the youth.
4. How many non-Rotarians benefited from this project?
Many non-Rotarians will benefit from this project for a long period of time. The new books will be circulated not just in Artesia, but in all of LA County.
5. What are the expected long-term community impacts of the project?
We hope that our small contribution and participation will have lasting impacts on our youth for a lifetime love of learning and reading.
6. If a cooperating organization was involved, what was its role?
At this point in time, there is no other cooperating organization involved.
