Rotary Club: Rotary Club Of Abilene (Friday Noon)

Project Number: P-178

Project Title: P-1787 – Disc Golf Course Equipment

Project Description

- Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? Rotary has committed to a multi-year project to help build a professional disc golf course at the Abilene State Park in Buffalo Gap, Texas. This grant is to fund the purchase of the equipment needed to set up the holes for the course.
- How many Rotarians participated in the project? 20
- What did they do? Please give at least two examples. Many days/weekends of hauling brush. Many days of cutting trees and brush to clear way for the course. Volunteered equipment and time to the development and completion of the course.
- How many non-Rotarians benefited from this project? 100s
- What are the expected long-term community impacts of the project?
Outdoor recreation for young people is severely lacking in this world of video games. This course will provide a safe, clean environment for young people to enjoy the outdoors and the sport of disc golf.
- If a cooperating organization was involved, what was its role?
Abilene disc golf association is the primary driver of this project. They have volunteers working weekly to complete the course. Rotary is only a minor force in sponsoring this activity for the Big Country.
