Rotary Club: Anaheim Hills Rotary Club

Project Title: Supporting Teaching and Educational Programs (STEP)

☐ Progress Report ☒ Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

The STEP project funds teaching and educational supplies and programs, that would otherwise not be possible, to schools in the Anaheim Hills area. This is our 7<sup>th</sup> year of helping educators, students and schools with books, learning materials and other teaching needs. The Every 15 Minutes Project is a drugs and alcohol educational experience teaching local high school students the tragic consequences of driving under the influence of mind altering substances.

2. How many Rotarians participated in the project? About 8

3. What did they do? Please give at least two examples.

Each Rotarian evaluated and rated STEP applications. They also purchased and delivered educational supplies for the STEP award recipients.

4. How many non-Rotarians benefited from this project?

Over 1000 students benefit from this project.

5. What are the expected long-term community impacts of the project?

Since many of the projects have multi-year benefits from books and educational materials, numerous students will benefit in the future.

6. If a cooperating organization was involved, what was its role?

The Anaheim Hills Rotary Club was the only organization involved in this project.
