Rotary Club: Stephenville, Tx Project Number: P-2278

Project Title: American Legion Floor Repair

Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? The American Legion building in Stephenville, Texas, which was built in 1940 by the NY Administration, a branch of the WPA was in significant need of major floor repairs and renovations. Several holes were present as well and numerous wood-rotted areas. The entire floor was in need of sanding and caking, with a final refinishing floor glaze being applied over the entire area.

2. How many Rotarians participated in the project? 10

3. What did they do? Please give at least two examples. The current CFO is a Stephenville Rotarian and the incoming President also. The grant application was prepared by a Rotarian.

4: How many Noon-Rotarians participated in the project? 15

5. What are the expected long-term community impacts of the project? The Legion hall is not only used for legion events, but the American Legion auxiliary meetings also. The hall is used by the Stephenville Rotary Club to hold its Change of officers for the club event. Other civic organizations hold events and meetings here on a regular basis.

6. If a cooperating organization was involved, what was its role? The American Legion arranged for the contractor for the repair of the floor, and supervised its work till completion.
