Rotary Club: Yorba Linda Sunrise

Project Title: Septic systems for families

Progress Report Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?
Septic systems are being installed in houses in Tecate Mexico, in cooperation with Corazon.

2. How many Rotarians participated in the project? The septic tanks involve 4 Rotarians at a time, but in total around 30 participate in the projects including house building.

3. What did they do? Please give at least two examples.

- a) Direct the back-end loader operator on placement of the septic tanks
- b) Hook up all the piping of the septic system to the house
- c) Direct the back end loader operator to fill in the dirt around the tank
- d) Test for leaks and ensure proper functionality

4. How many non-Rotarians benefited from this project?

At least 5 or 6, including the recipient families

5. What are the expected long-term community impacts of the project?

Improved hygiene with proper removal of waste, improvement in health due to less chance of infection due to excess contamination of the ground having been removed.

6. If a cooperating organization was involved, what was its role?
