Sorry, finally got this done. Here is the bank statement that shows on page 3 both the deposit of the grant money of \$750.00 on 5/10/2018 and check #2029 for \$1,500.00 payable to cash on 5/14/2018 for the grant money and our club matching funds. The cash was given to Betty Bengo to carry to Uganda to purchase the mosquito nets there to save on bank fees and exchange fees.

Hi, Sharron. Hope you are doing well. Betty Bengo is in Uganda at Malaika Children's Orphanage until August 25. She has received receipts for \$1500 thus far. I'm not sure how to upload them on the Matching Grants website. Can you help with this, please?

Thank you again!
