

Rotary District 5320

District Grants 2019-2020

Memo re: Re-Allocation of Club Grant Money

Due to the COVID-19 crisis in the spring of 2020, some clubs were unable to complete their 2019-2020 district grant project. This memo documents a club's wish to re-allocate their district grant funds to the district's face shield project.

Club:	Irvine
Cancelled Project:	Part of #2812 – Ensenada Dental/Vision Care
District Grant:	\$5,000
Club Match/Contribution:	\$5,128.48
Total proceeds to District 5320 Face Shield Project:	\$5,000

Note that the Irvine club was able to complete half of the original grant project, and copies of receipts supporting \$5,128.48 of approved expenses were uploaded to the project page. The remaining \$5,000 was re-allocated to the district face shield project.
