Project Title: Buddy Bench for Scotland Park Elementary

Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

Our club had the metal shop at our local Career Center make the bench. It was for the young kids at Scotland Park Elementary School. This is for a student that's new or lonely to sit on, when the other children see them sitting there, they're encouraged to make friends or include this child in their activities. The bench is now located in the playground at Scotland Park Elementary.

The whole school is the beneficiary.
