Dear Arlington West Rotary Club,

Attached find receipts as documentation for the \$1000 donation to be used for globes and books. The receipts total: \$796.52 There are 5 *20th Century Children's Book Treasury* on back-order. When they come in the cost will be 5 @ \$40 = \$200. There will also be a cost for the "splitters" (on back-order) to activate the two Talking Globes. (Talking globes ask questions about the world on different grade levels and help children find the answers on the globe.) "Splitters" will be 2 @ \$9= \$18 for a grand total of \$1,014.52.

Included in the purchases from Mardel's are 5 workbooks to reinforce the globe lessons and 2 STARR workbooks for reading readiness on the STARRS Test. (State test.) The Half-Price Books purchases will fill the need for grade levels 3rd and 5th.

As soon as I pick up the back-orders, I will send you the receipts. Pictures will be forwarded next week. (We are closed on Fridays and Monday is a Holiday.)

H.O.P.E. Thanks you again for your generous donation.

Sincerely,
Betsy Holschuh, Executive Director
