1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

We purchased, built and outfitted with bedding 8 bunk bed units for a facility located in Wichita Falls. The facility will serve youth who have "phased out" of foster care and have nowhere to go. Our team went up Saturday, Nov 9 to deliver the mattresses and build the beds.

2. How many Rotarians participated in the project? 16

3. What did they do? Please give at least two examples.

Transported mattresses to the facility in Wichita Falls. Moved components of 8 bunk beds into the dorm building and assembled the beds inside the individual rooms.

There will be 16 boys at any time living in the facility. They will be taught life skills and helped to find jobs and transition into the adult world.
