Rotary Club: Arlington North

Project Title: Adoption Awareness Picnic 2013-2014

Progress Report Final Report

Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

This project provided a fun day of activities, arts and crafts, Bounce Houses, Food and prizes for Children currently in Foster Care in Tarrant Co Texas, and persons looking to adopt a child that have been approved by the State of Texas and Children and Family service. This event gives potential families or persons a opportunity to interact with these children one on one which is not something they normally get to do. Normally they just get to see a bio on a child and a photo.

The Event took place at Most Blessed Sacrament Church on March 29th, 2014

2. How many Rotarians participated in the project? 60-70

3. What did they do? Please give at least two examples.

Rotarians for all 7 Rotary clubs in Arlington helped to provide this event, from Running activity and craft booths, providing face painting, overseeing security, preparing and serving food, setting up and cleaning up the facility for the event, planning and shopping for the event.

4. How many non-Rotarians benefited from this project? 100+

5. What are the expected long-term community impacts of the project? This event helps foster children in Tarrant increase the chances of adoption and finding a new family and home.

6. If a cooperating organization was involved, what was its role? CPS, Tarrant Co Children and Family serves help to coordinate the event with Rotary, they take care of inviting the eligible families to adopt, invite and coordinate the travel for the foster children, and provide background checks on all Rotarian volunteering to provide a safe environment for the Foster child, as well as having CPS staff on hand for the event.
