 Project Title: River Bend Nature Center

Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

Rotary North donated funds to River Bend Nature Center on the day Texoma Gives was running a fundraiser so the funds we gave were matched, dollar for dollar. All the funds went toward operating educational activities to children at River Bend Nature Center.

2. How many Rotarians participated in the project? 15

All the members of the club participated in raising the funds by putting out flags. They also volunteer at River Bend Nature Center during children's activities.

4. How many Non-Rotarians participated in the project? 3

5. What are the expected long-term community impacts of the project?

With this pandemic going on, the funds has helped River Bend to continue to provide services needed for the education for children and adults free of charge.
