Benay,

Your gift has already made an impact...

Your donation is helping our vision to support enhanced educational opportunities for the students of the Wichita Falls Independent School District so the district may continue to be a leader and innovator in public education.

Thank you for your generous gift of \$2,000.00 to Wichita Falls ISD Foundation on August 26, 2020. Your donation has been designated to the Covid-19 Emergency Assistance Fund.

As the Executive Director, I would like to personally thank you for making our work possible. Your kindness supports our mission to promote quality education by establishing, supporting and enhancing programs not otherwise funded by Wichita Falls ISD or the state.

Your generosity helps us look beyond the challenges of economically disadvantaged students and underfunded schools. Because of your help, we can work together to help students and teachers succeed. We are deeply humbled and privileged to be part of public education in Wichita Falls.

Our current and future success of providing scholarships to students and teacher grants is made possible by the continued generosity of our donors. In the coming year, the WFISD Foundation plans increase the number of scholarships and grants available to students and teachers. We will keep you updated on the exciting progress!

With deep gratitude,

January Cadotte
Executive Director
