Project Title: Power generator for Maternity Hospital in Africa

Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

*Supply a 25kw diesel powered generator for a hospital in Uruala, Imo State, Nigeria.
 We used the brother of a club member to purchase and deliver generator to hospital.
 The hospital benefits because power is frequently off line and they have insufficient backup power.*

2. How many Rotarians participated in the project? Three

3. What did they do? Please give at least two examples.

Coordinate to select generator.

Raise funds.

Monitor progress.

4. How many Non-Rotarians participated in the project? one

5. What are the expected long-term community impacts of the project?

The hospital serves an indigent rural population.

Dependable backup power is needed for lighting at night, especially the emergency room and operating room.

6. If a cooperating organization was involved, what was its role?

N/A
