Dear Jackie,

At its heart, the Keller ISD Education Foundation is about helping the young people in our community...so it was with sincere gratitude that we received your very kind donation of \$5,000 to fund five scholarships for high school students and \$1,000 to fund a scholarship through the Keller ISD Career and Technical Education (CTE) Scholarship Fund.

Your generous gift will go a long way toward helping us fulfill our core purpose of investing in innovative educational practices to enrich the environment for student learning. It is our vision to help make Keller ISD a district where exceptional opportunities are available to all students.

Because of your support, we can provide scholarship opportunities for students who might not normally have them. Thank you again for contributing to the CTE Scholarship Fund and, in turn, for helping us fund our students' dreams.

With warm wishes,

Cameka L. Crawford  
Executive Director
