Club Rotario Los Barriles Cabo de Este

SERVE TO CHANGE LIVES

BIENVENIDOS
LOS BARRILES

We are Club
Rotario of Los
Barriles.
Our service
area includes
many small
pueblos in
East Cape,
near the
southern tip of
Baja
California Sur.

We're a small club, but ambitious.

We rely on service above self, and
with the help of our community and other
Rotary clubs, we succeed.

Over the last four years five fellow Clubs from California have pitched in and worked on healthy water solutions, a new kitchen and eating area for our elementary school, our Cancha's new banos, recycling projects, and many others to better life for the residents of East Cape.

Our original goals

for our 2021 - 2022 season have been modified to accommodate restrictions imposed to control the COVID virus. As those restrictions are relaxed, we are returning to in-person meetings and ramping up a recovery for the new season.

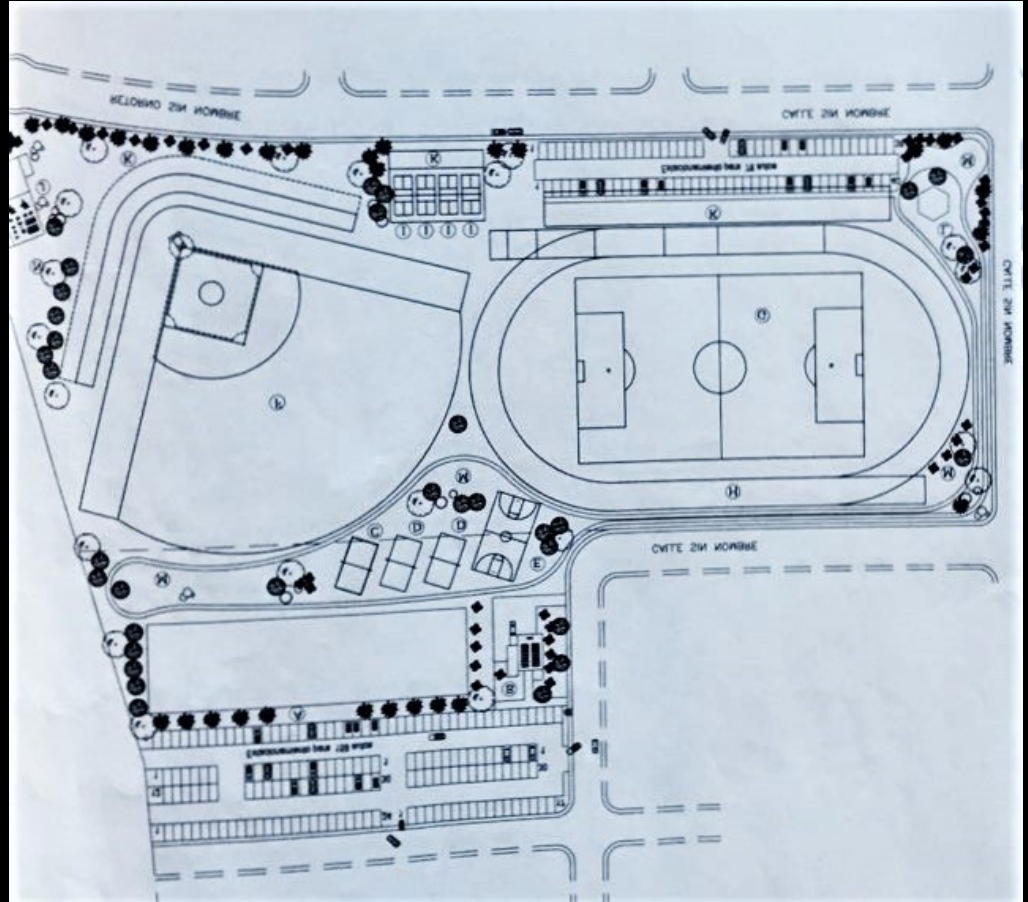

**ROBERT (BOB) ADAMS
PRESIDENT 2021 - 2022**

Projects put on pause last season have re-emerged and fund raising remains our major need as we find ourselves a year behind and facing a whole new world. An epidemic poses the harshest of threats, yet in the midst of its throes we were reminded of what Rotary is truly all about. The more the isolations fractured us, the tighter we grew together, member to member, club to club, community to a new continuity. As we move forward, remember this: wherever we are, you will always be welcome.

YOUTH and COMMUNITY ACTIVITIES

El Ancon
Working with Club
Deportivo, a local
architect, and our
area government
has created the
beginning of a
comprehensive
community athletic
and cultural center.

Daily youth programs provide after-school activities for children who may otherwise be left unattended.

Improving and maintaining our athletic fields are essential components of our el Ancon program.

Donations keep the kids in good gear throughout the season.

Our local Rotary leveled the playing fields in preparation for the new Astroturf that dressed the fields for multiple sports.
(Notice the mattress springs grader, now removed.)

The kids and parents keep the new fields groomed in anticipation of what is still to come.

Construction of the new sports and community complex continues.

Adjacent to the fields are the new bathrooms and changing stations, with amenities and security. This Rotary project is part of Phase 1 of 4 of the el Ancon Project.

Our Interact club donated their time and labor to paint the new facility.

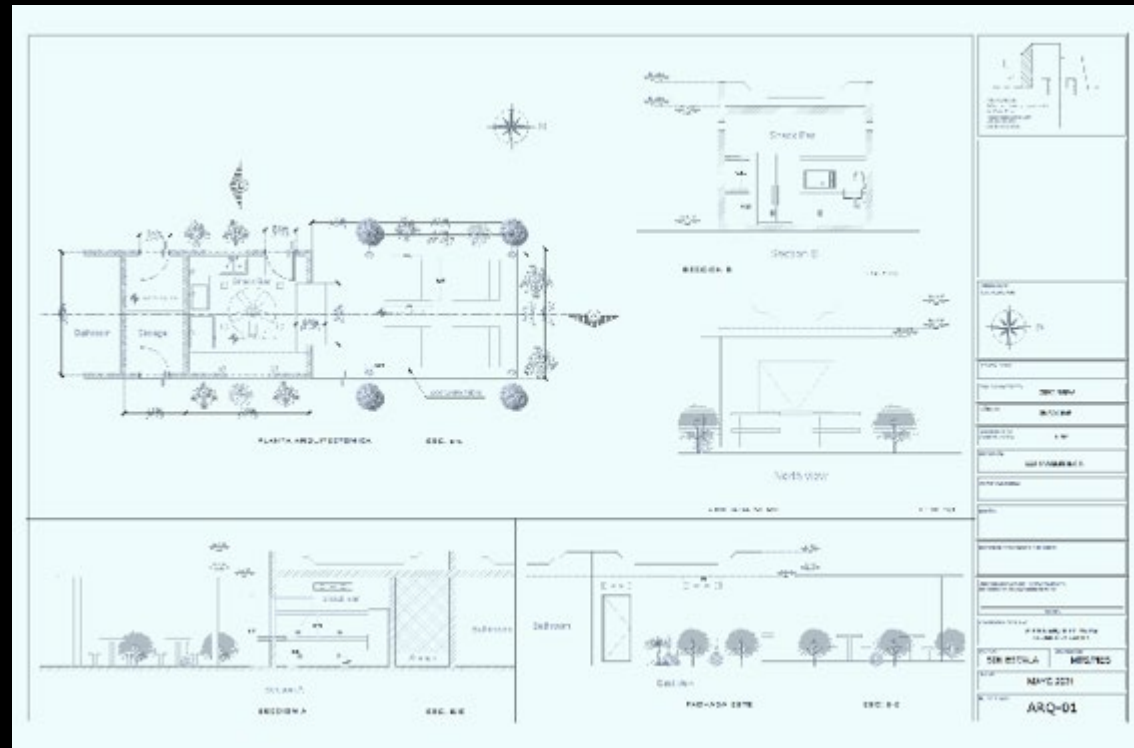

District Project

El Ancon Athletic Complex-Community Center

- * Phase 2 of 4: Cafeteria/snack-bar, eating and storage area
- * Phase 2: cost \$21k to \$25k usd
- * Proposed completion date: Spring of 2022 (dependent on fundraising)

Cafeteria/snack
bar, eating and
secure storage

District Project

El Ancon Athletic Complex-Community Center

- Project Benefits: Providing children and families of the East Cape communities a place to play, compete, exercise, and meet in a safe environment
- Project Identified and designed jointly by county, local government, Community leaders, and Club Rotario Los Barriles
- Project Community Communication: Social Media through government website, Various public media sites and platforms
- Project fundraising: District Grants, Club Rotario fundraisers, Community donors

When completed, our el Ancon Project will provide soccer and baseball fields; volleyball, pickleball and basketball courts, as well as a community meeting areas. The project will serve all our East Cape communities with social amenities and security for decades to come.

We are Club Rotario Los Barriles Cabo de Este
