# 1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

## Project 1:

Rotarians purchased dictionaries for 3rd graders in Laguna Beach. Each dictionary has a Rotary Club sticker on the flyleaf. Rotarians will present the dictionaries in person in June 2022 per school request. This is our 20th year.

## Project 2:

Purchase K-3 books to be donated to the libraries at the Laguna Beach elementary schools; Each book has a Rotary Club sticker on the flyleaf. The beneficiaries are the K-3 students. Rotarians were unable to read to the students from the donated books due to COVID complications and health concerns of our members. A calendar has been set up for 1st half of next year. School district is sending the list of books purchased.

• 500+ Elementary School Students total

### 5. What are the expected long-term community impacts of the project?

Project 1: For 20 years, Rotary Club of Laguna Beach has distributed Dictionaries to every third grader in attendance at a Laguna Beach area school.

The Dictionaries have a lasting impact on the third graders. Members of our club are approached from students who received their dictionaries over 15 years ago, and our members have been told how thrilled those students were to receive their dictionaries when they were in third grade. Importantly, each student gets to keep his or her dictionary as he or she continues through elementary school. The student is able to use the dictionary to enhance his or her research, improve spelling, and to assist with reading comprehension.

Project 2: The lasting impact of this project, besides the obvious one of providing additional quality books to the libraries, is the positive impression made on the students, by someone other than their teachers and parents, of the value and fun of books and reading.

## 6. If a cooperating organization was involved, what was its role?
