Do not sent this form directly to Rotary International.

Rotary Club: Metroport Rotary Club Project Number: P-4158

Project Title: Scholarship TCC Student

Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

- There is a continual need for scholarships to help students, especially those from disadvantaged families, to attend college. It is predicted that over 70% of all future jobs in the US will require some higher education and that is even more true in the case of jobs in the STEM fields where available jobs will be most prevalent and living wage + productive.
- This project establish a Rotary named scholarship to provide funding for students on a STEM related career path to attend Tarrant County College, Northeast Campus. Each scholarship will be up to \$1,500 per academic year and as a result of a MOU between R.I. D-5790 and TCCD the student will be eligible to receive a matching scholarship amount for their second academic year providing the student has maintained a minimum 2.5 GPA and has taken a minimum of 15 credit hours in the first academic year. Tarrant County College is known for its readily accessible, affordable and high quality education in an environment where each student's success is of paramount importance.

2. How many Rotarians participated in the project? 3

3. What did they do? Please give at least two examples.

- Metroport Rotarians worked with TCC to determine how they could make the most impact with a scholarship.

4. How many Non-Rotarians participated in the project? 7

5. What are the expected long-term community impacts of the project?

- This assistance promotes community economic development by enabling a student to attend and graduate from college.

6. If a cooperating organization was involved, what was its role?

- One of our members worked with TCC to set up a scholarship that would provide each student recipient with an initial and a second year award as well. TCC was instrumental in helping to craft the scholarship to provide the student incentive to complete their first and second years. In addition, TCC selects the student from deserving students with financial need and awards the scholarships.

Financial Report (District must retain receipts of all expenditures)-The two yellow cells must be the same.

7. Income		Amount
1. District Grant funds received from the District		\$1,500.00
2. Other funding (specify) Rotary Club		\$1,500.00
3.		
Total Project Income		\$3,000.00
