"GRANTS FOR TEACHERS" Application

16

Date: 10/05/22

Teacher: Sandmeyer-Dodge

School: Wilson Elementary

Grant Name/Title: Reading Intervention Library

Grant Amount Request: \$500 Grade Level(s): K-3

Teacher's Email: msandmeyer-dodge@nmusd.us

NOTE: This year's winning grants will need to purchase items and send receipts To helenrotary@2maxwells.com. A check for receipts will be mailed to teacher's address or to teacher in care of the school within 2 or 3 days of receipt of the receipts.

Address to mail check: 980 Linden Place Costa Mesa, CA 92627

Brief Description: The funds will be used to purchase books - many series books - for reading groups in k-3. These books will be chosen with student requests in mind and will mainly be series books. Series books hook kids in and encourage to read the other books in the series. The books will be available for students to take home. Students reading will be monitored by observing check in check out records as well as monitoring Accelerated Reader quizzes.

How many students will benefit from this grant? 30 with the possibility to expand in the future

What is your plan and how will it be implemented? I am proposing a monitored lending library for my reading intervention students. I see them everyday in a small group setting so I am able to monitor their reading levels and progress using Renaissance Place software and Accelerated Reader testing program.

Describe two ways the students will benefit from this grant/program: _____

We know that independent reading is one of the most meaningful ways to boost reading fluency and that in grades k-2 it is critical that students practice the skills they are learning in reading groups. The students will benefit from this program by increasing the time they are reading meaningful, interesting texts outside of school. It will also benefit them by having high interest books at their fingertips on a daily basis with the ability to bring them home. They will also benefit by being monitored by their intervention teacher so that the teacher can meet with the student if they are not reading enough or are choosing books that are too difficult for them.
