

**District Grant Report**Rotary Club: San Clemente Rotary ClubProject Title: P-4277 Butterflies and Native Plants☒ Progress Report ☐ Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?
The educational garden at Las Palmas Elementary School has received new native plants. This grant pays for educational signage regarding pollinators and these plants.

2. How many Rotarians participated in the project? Five Rotarians have volunteered to install the signs on May 27. One Rotarian (Lee Van Slyke) has been involved in project guidance.

3. What did they do? Please give at least two examples.
To be supplied upon completion.

4. How many non-Rotarians benefited from this project? There are more than 200 students at the school and the signs will last for years.

5. What are the expected long-term community impacts of the project?
Greater attention to using native plants in home gardens, and in supporting butterflies and other insects in home gardens.

6. If a cooperating organization was involved, what was its role?
The school PTA, led by Julie Erickson, is responsible for the garden. We assisted in this project.
