1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

Our club worked with the Ensenada Rotary club to provide blankets, food, toys and soccer balls to those in need in and around the town of Ensenada. The needy were vetted by the local Rotary Club. We provided funds for the purchase of blankets, food and purchased 175 soccer balls. We traveled to Ensenada on Friday, January 6th to sort and pack all items. We met again on Saturday, January 7th to load vehicles and travel to several designate points for delivery. We returned home of January 8th.
