

District Grant Report

Rotary Club: Rotary Club of Villa Park

Project Title: VPE School Yard Enhancement

☒ Progress Report

☐ Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

Our aim was to have a hands on project of reconstructing the kickball walls at the elementary school and purchasing a soccer goal + net. The Principal, Martha Arceo advised that, "due to the sweeping changes in the OUSD Risk Management Department, many "hands on projects" by outside groups such as Rotary are no longer permissible and that we could no longer do the handball court project. They sent us an invoice for two nets and goals instead, which we funded at the cost of \$7374.48. We have \$1,867.38 remaining and Principal Arceo sent a list of items that they would like purchased from Amazon. In speaking with the board and the club, we decided that we would not purchase those items and will instead, would like to use the funds for a hands on project within our Villa Park community.

2. How many Rotarians participated in the project? 5

3. What did they do? Please give at least two examples. We initially surveyed the school for available projects, took estimates for cost of material, coordinated with the Principal and staff and helped with the funding of the nets + goals.

4. How many non-Rotarians benefited from this project? 630

5. What are the expected long-term community impacts of the project? The goals and nets will last for many years, providing the students with much needed physical exercise, team building, competition and enjoyment.

6. If a cooperating organization was involved, what was its role? N/A
