**5. What are the expected long-term community impacts of the project?**

Homeless persons who move from the Friendship Shelter into regular housing often find themselves moving into spaces that require an initial clean-up. The getting-started cost of obtaining the supplies and equipment needed, although it might appear to be modest to many of us, can be a real obstacle for those of very limited means. Under the guidance of the staff at the Friendship Shelter, the Rotary Club of Laguna Beach has developed a kit of the most needed supplied and equipment. The kits also contain a grocery store gift care to support the initial stocking-up that everyone faces when moving into a new home. It is hoped that by providing these kits to homeless persons in need, we can help to remove one obstacle to continued success at avoiding homelessness. A celebration dinner will honor, and show appreciate to the Friendship personnel
