Hurst Euless Bedford Rotary Club

Dear HEB Rotarians:

Literally thousands of people in the HEB Area, and, actually, around the world have been blessed by your work, service and generosity. The North East Emergency Distribution (NEED) organization is only one of the many.

Thank you so very much for the donation of two thousand dollars (\$2,000) to fund the transportation support NEED will be supplying this coming year. NEED works with HEB Transit to provide transportation, particularly for medical and employment needs, to residents of the HEB area. By working with HEB transit, the \$2,000 funds literally thousands of dollars of public transportation to these people in need. So far in 2022, NEED has funded over \$60,000 worth of public transportation support.

HEB Rotarians have volunteered at the Twice Blessed resale shop, contributed individually to the services we provide and allowed NEED to share our work and vision with your club. We are very blessed by you, and you are a blessing to hundreds through us.

Thank you again, and my God bless you in your service to our community.

Gratefully,

Bob Sarpalius  
NEED Treasurer
