Rotary Club: Burleson Rotary Club Project Number: P-4592
Project Title: Dictionaries for Third Graders

Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

The Burleson Rotary Club purchases youth dictionaries places a Rotary sticker, a 4 Way Test Sticker, and a short letter from our President in each. Then we deliver in teams of two or three Rotarians to each grade school in the Burleson ISD where 3rd graders are located. When we deliver to school, we give a short speech over Rotary and what we do.

2. How many Rotarians participated in the project? 22 plus some of their families

3. What did they do? Please give at least two examples.

As described above we put stickers and letters in the dictionaries and personally delivered and handed them to 3rd graders.

4. How many Non-Rotarians participated in the project? 7

5. What are the expected long-term community impacts of the project?

We expect this to positively affect literacy rates in Burleson. The kids absolutely love the dictionaries and remember receiving them and using them as they get older.

6. If a cooperating organization was involved, what was its role?

Burleson ISD cooperated to get students together and allow us in to deliver the dictionaries.
