

Project P-4751 Robyne's Nest Thanksgiving, San Clemente Sunrise

Note to File, by District Grants Chair, Gillian Bradshaw regarding Missing Receipts

I discussed this with the Project Contact, Dick Deaner and he confirmed that, while they had receipts for \$437 of the food for the baskets, they were missing receipts for \$198, which was also spent on food but the receipt(s) could not be located.

Due to the club's diligence with this long-term project, it was determined that this could be accepted this one time.
