Becky,

We as an agency are so grateful to you and the International Rotary Club members for your very kind and generous contributions and support over the years.

This year we have purchased some interesting, updated education and handouts that are not in our normal budget.

We have added updates to our Diabetes, Anti-smoking and Stress arsenal. Including posters, flipcharts, educational booklets that have been cost preventative in the past. These will be on loan to anyone all over the state who wishes to borrow them for their use as well as taken with us to our events. Vaping and E-cigarettes Information is ever changing and this grant allowed us to also update that as well.

Our Executive Director is very excited for the two Meta Virtuality head sets that will be used at our events. We will be purchasing medical topics for our participants to learn about Heart Attacks and Woman's Heart Health. These allow the viewer to see inside the heart (Graphics). It also has a pleasant way of describing what it is being viewed. The presentations are very educational and fun at the same time. We hope the

experience of seeing this in a fun way will give folks a greater understanding of the topics we added.

We serve several thousand individuals each year. We do health fairs all over the state. They will all have exposure to this wonderful, updated information.

Thank you so much
