

YMCA EVERYDAY LEADERSHIP

CHANGE THE PATH OF IDAHO STUDENTS THROUGH THIS IMPORTANT INTERVENTION PROGRAM

Everyday Leadership is a collaborative effort created by the Treasure Valley Family YMCA to provide low-income 5th and 6th grade youth with the skills and confidence they need to graduate from high school and attain post-high school educations. This intervention program reaches children before low self-esteem and poor academics can have a negative impact.

PROGRAM ACTIVITIES

- 13 bi-weekly afterschool sessions
- Lessons on leadership, teamwork, communications, cooperation, conflict resolution and decision making
- Community service projects

ACHIEVING RESULTS

Through the Everyday Leadership program, families and teachers have noted improvements in participating students. This includes:

- 87% of participating students improved their grades above a 3.5 GPA
- All students increased their grades above a 2.5 GPA
- Behavioral incidences declined by 65%
- Families reported participants adopting leadership skills
- Educators report that participants positively influencing the behavior of other students

OPPORTUNITY FOR CHANGE

Through an investment of \$3,500 per school, the Treasure Valley Family YMCA's Everyday Leadership program can change the lives of these children. Donations and sponsorships from businesses, civic organizations, foundations, and individuals help sustain this important program.

A GREAT NEED IN IDAHO

Low-income youth are

19x more likely to drop out of school compared to their peers.

40-60% of Treasure Valley students come from low-income families.

Idaho's 2021 high school graduation rate fell to **80.1%**, and remains one of the lowest in the nation

Only **42%** of Idaho's workforce has a post-high school certificate or degree

High school dropouts make up more than **80%** of the incarcerated population, according to a study from Northeastern University.
