

### District Grant Report

Rotary Club: Los Alamitos/Cypress/ Seal Beach

Project Title: Together We Are Stronger

☐ Progress Report ☒ Final Report

Two projects were associated with this grant;

Youth Fishing Derby: Held on the Seal Beach Pier: This annual event attracted nearly 300 school aged children who are accompanied by their parents/caregivers. Children came from surrounding communities to enjoy a morning of fishing and vie for trophies and prizes in 3 age groups.

Interact Club Support: Our club is closely engaged with the Interact Clubs at Los Alamitos High School and Cypress High School. Rotary members ordered, picked up, delivered and served pizza at each Interact Club meeting and interact with its members.

2. How many Rotarians participated in the project?

About 25 club members participated in the Fishing Derby; Over the course of the school year, approximately 6 Rotarians participated in the project;

3. What did they do? Please give at least two examples.

Club members registered participants, cut bait, weighed catches and otherwise interacted with anglers and their parents.

At each Interact meeting, at least one Rotarian ordered, picked up, delivered and served pizza to its members and then remained to observe and, when asked, participated in discussions.

4. How many non-Rotarians benefited from this project? 300+

5. What are the expected long-term community impacts of the project?

Fishing Derby participants interacted with Rotarians, strengthening the community awareness of Rotary's social impact in the community. Families with limited finances or access to fishing, and our natural resources were able to share a no-cost, healthful, enjoyable day bonding with both the community and their own families.

Interact meetings were designed for Interact members to gather during school lunch periods, to engage in common projects, team building, and to share information about important issues, while also serving as outreach for recruiting new members (also strengthening outreach to their parents, about the benefits of Rotarian membership.)

6. If a cooperating organization was involved, what was its role?

The Seal Beach Lions Club coordinated their own event to serve no-cost pancake breakfast to participants.
