Dear Ann Burke,

Scottsdale North Rotary Club recently did something that means a lot to teens in our community.

Your recent allocation of \$5,000.00 awarded to New Pathways for Youth through your grant supports our mission of transforming the lives of youth by providing the support, skills, and stability they need to flourish. With this award, our Level Up Program (Launches, Power Ups, Skillbuilders, Group Outings) is the direct beneficiary of this funding within our organization.

Thanks to the support of Scottsdale North Rotary Club, New Pathways for Youth will be able to connect youth, who are experiencing poverty and high levels of adversity, with a **dedicated adult mentor**. They will gain the **tools and perspectives** from our personal development curriculum to help them set and achieve goals for their future. They'll receive **wrap-around case management** support from our team of professionals, so they can focus on the opportunities they dream for their future.

With this support, 95% of our youth **graduate from high school** and well over half go on to a postsecondary education. Above all, each youth we serve develops the confidence to **decide their own path** so that they can live a life full of joy and purpose.

On behalf of everyone at New Pathways for Youth, please accept our sincerest gratitude for this funding.

We look forward to sending you positive reports on our progress.

We can't thank you enough for unlocking possibilities for our youth!

With gratitude,

Thank You!

Karen Johnson, Ph.D.
President and CEO
