

District Grant Report

Rotary Club: Monarch Beach Sunrise Rotary Club

Project Title: Four Way Test Mural

☒ Progress Report ☐ Final Report

- Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?
The club hired a local artist to design and paint a mural of the Four Way Test on a building at an elementary school that students could see when they lined up on the playground.
- How many Rotarians participated in the project? 14 Rotarians will participated in the Mural Project.
- What did they do? Please give at least two examples. Rotarians will help design the mural as well as paint the base coat for the artist.
- How many non-Rotarians benefited from this project? The entire student population, teachers, parents and siblings will benefit from the project.
- What are the expected long-term community impacts of the project? Given the location of the mural, students will most likely memorize the Four Way Test, hopefully instilling in them principles in which to live their lives. Teachers and administrative staff will also learn the Four Way Test, serving as an example for individuals to live their lives.
- If a cooperating organization was involved, what was its role? The artist, Kate Cleaves, designed the mural.
