Project Title: First Book Project

☒ Progress Report ☐ Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?
On April 18, 2025 our Club members presented 447 books to every student at RH Dana Elementary School in Dana Point during the morning ceremony with the parents in the playground. Afterwards members went to various classrooms and read to the students. The teachers chose the books for each grade.

2. How many Rotarians participated in the project? 29 Rotarians

2. What did they do? Please give at least two examples.

Prior to the presentation 23 club members put a label in each book for the children to personalize at our regular weekly meeting. 6 Rotarians were present at the presentation and read to the students.

4. How many non-Rotarians benefited from this project? Every child in the school and their parents along with the school staff.

5. What are the expected long-term community impacts of the project?

These books will impact children at home and encourage parents to help them read their new book. The project will inspire more reading at school and at home.

6. If a cooperating organization was involved, what was its role?

RH Dana Elementary School Principal and teachers helped with organizing the day to present the books and open classrooms for Rotarians to read to the children.
