**1. Describe the project. What was done, when, and where did project activities take place? If this is a progress report, what remains to be done?**

The South Shore Rotary Club bought winter coats and sneakers to distribute to various schools and organizations in Staten Island. The schools that received the coats and sneakers were The Hungerford School, PS 37, PS 68, PS 22, and the Integration Charter School. The organizations that received coats were the Celebrate Hope Center, Rescue Church NY, and Rescue Church Port Richmond SI. A South Shore Rotarian attended each school/organization to hand deliver the coats and sneakers. We distributed these items from mid-November to early January. Ninety percent of the inventory purchased was delivered before Christmas. After buying the items through different vendors while on sale, there was some funds left over. This money will be used to purchase spring coats once there are sales. The remaining funds will be used in its entirety to purchase these coats.
