What to wear: All participants must wear CLOSED-TOE SHOES (no Crocs) and LIFE JACKETS (provided). Hats, sunscreen, and sunglasses are also highly recommended. It can get cooler on the water, so you may want to bring a jacket or windbreaker.

What to bring: Please make sure that all participating youth and teacher/adult chaperones have signed waivers to be brought to the Newport Sea Base the day of your activity; you will not be admitted to event without your signed waiver! Lunches should be placed in bins where they can be stored in our office, and should not require refrigeration.

Parking: Busses are recommended to park on the street in front of the Newport Sea Base and NOT inside of the parking lot as the drive way is too small for a bus to turn into. Teachers will walk their students in a single file line along the sidewalk to the main staircase in front of the Newport Sea Base (right in front of the parking lot). A staff will meet you at the stair case and give you further instructions for your field trip.

What to leave at home: any valuables, electronics, etc. The Newport Sea Base is not responsible for lost or stolen personal items.

Feel free to call with any questions you may have.
