Project Title: Uniforms for School Children

Progress Report Final Report

Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

Rotary funds were used to purchase more than \$3000 in school uniform pieces for dozens of children that attend the Boys & Girls Clubs branch in J.A. Caville public housing. Most of these students are well below the poverty line and their families can scarcely afford even basic uniform needs required by public schools. The Rotarians from East Fort Worth will deliver the uniforms on May 18th, 2015 in person to the students.

2. How many Rotarians participated in the project? _____

3. What did they do? Please give at least two examples.

Ryan Stephens coordinated the planning and execution of the project and aided in purchasing. He also aided in the delivery of the uniforms.

Janelle Kavanaugh purchased the uniforms and boxed them up for delivery.

Paul Geisel, Dave Hinshaw, Bob Hawley, Lucy Maier, and David Salgado aided in the planning of the project.

4. How many non-Rotarians benefited from this project? 66

5. What are the expected long-term community impacts of the project?

The uniforms will be handed down from sibling to sibling for years. We built a relationship with an important service partner in an underserved area.

6. If a cooperating organization was involved, what was its role?

Boys & Girls Clubs of Greater Fort Worth provided the children that received the uniforms and gave us sizes to purchase.
