District Grant – School and Community Projects
4. Boo at the Zoo
Year: 2014-15

Addendum to Project P-703 – Boo at the Zoo (Halloween)

Disbursements for this project will be made in the following manner:

The Tustin Santa Ana Rotary Club has partnered with the Santa Ana Zoo Foundation for over 20 years. This year the Santa Ana Zoo Foundation is raising funds for the Ocelot Education Center. The project is an interactive exhibit that will teach the children about endangered species, conservation and animal habitats. This project is important because it will continue the process of replacing the Zoo older exhibits with those that incorporate the latest concepts in zoo exhibit design. It will also provide for the possibility of adding new animals to the Zoo collection.
