Grant Information (to be completed by Project Contact Person)

1. District Grant # (check website for #): P-809      Name of Club: Rotary Club of Elmore County
2. Name of District Grant: Elmore County School Supply Project
3. Briefly describe your project (who did what, when and where did project activities take place?) in 100 words or less. The club provided teacher-requested supplies to 3 school districts in Elmore County. We sent out request letters to 3 high schools, 9 elementary schools and 4 middle/jr high schools in September 2015. We then received back the supplies teachers requested which include cleaning supplies, basic items of clothing, study aids, basic school supplies and tablets. We contacted the schools every couple months to keep the teachers supplied with the items they needed to effectively teach their students.
4. In one brief sentence: who were the beneficiaries of the grant activities and how many of them were there? The beneficiaries of the project were the low income children of the county and their teachers who didn't have to dip into their own pockets to provide for their students.
5. How many Rotarians participated in the project? Of the 24 members of our club 12 actively participated with 3 taking the lead in the project.
6. If a cooperating organization(s) other than the beneficiary was involved, what was its role? No other group participated with us
7. FINANCIAL SUMMARY (add rows as needed)
