

Rotary District Grant  
5630  
Chadron Rotary Club  
2015 - 16

The grant money was not received by the Chadron Rotary Club until late in 2015. The Dawes County Historical Society waited until after Christmas to order the four camera security system and the document camera. These items have been delivered to the Dawes County Museum and installed. I ordered and paid for this equipment using my credit card and the Dawes County Historical Society reimbursed me after the items were received.

Below are the payment lines from my credit card bills for the items purchased.

At the top, it displays the date 3/22/16, a dollar sign icon, the merchant name B&H PHOTO, 800-606-69, the category Other, the account number ...5522, and the amount \$449.00.
