History of School

This School was started in 1925 as a Primary School by
Late. C.R. Vijayaragavachariyar in a Rented Building in Shevapet, Salem.

In 1933, it was upgraded to High School Status because of the Founder's
hardwork and a new Building was Constructed at the present Location.

In 1978, it was further upgraded to Higher Secondary School by the
Government.

From 1925, for the past 97 years, this school has been helping students in
quality Education and in Producing Students of high quality and caliber.

GOKULNATHA HINDU MAHAJANA HIGHER SECONDARY SCHOOL
(Government aided School)
Salem 636001, Tamilnadu, India

At Present, 414 Students are studying and moreover, from 6th standard to 12th standard, Students have the choice of both English and Tamil medium of Education.

Since it is a Government aided Schools and majority of students studying here are from economically weaker background, it has become necessary to gain help from service organizations and Philanthropists to maintain the quality of the School and Education.
